Two weanlings may share one box (the second horse has to pay the facility fee of EUR 30 per day).

Due to the high number of permanently occupied boxes in Mooslargue, only approx. 60 wooden stalls are available for the show. Temporary PVC stalls on hard ground will be installed for all other competitors at the show. Stalls will be assigned through a first-come first-served basis (first wooden stalls then PVC stalls). **All entries will be processed in the order the total amount of entry fees were paid.** Those who wish to be stalled with trainers or another exhibitor should send in their entry forms on the same day and should do the payments in parallel! Desires can be posted. We kindly ask you, to place your entries and stall fee payments on schedule. The show management can not guarantee stalls for late entries. Reservation of stalls is not possible without entries and payment.

First shavings are included. In wooden stalls chipped wood (Allspan) or straw is available. The PVC stalls will all have chipped wood as first shaving. Additional bedding and hay can be purchased. Shavings and hay are available for sale at specific times only (8:00 – 9:00 am. and 5:00 – 6:00 pm.). Be prepared to bring a first load of feed with you.

When decorating your stall do not use any non-removable items or items that cause damage. Any damage to stalls will be your financial responsibility.

Exhibitors are required to keep their stalls clean and neat and to dispose of the manure in the designated dump area. Stalls may be used only to house horses or tack. Any other (commercial) uses are strictly prohibited. Show management will designate a stable supervisor to patrol the barns regularly.

Placing Procedure and Award Policy:

Approved ApHC Classes

Four sets of ApHC points will be given in all ApHC-approved Youth, Non-Pro and Open events offered. ApHC points will be awarded based on each of the judge's final placings. Ties on each individual judge's card will be broken by the judge's discretion or by flip of a coin.

Placings

Each class is placed through the 8th place. Results for each judge will be announced.

To calculate the European Championship placings the results of each judge will be summed up. The horse with the highest value becomes European Champion, the horse with the second highest value European Reserve Champion and so on. For reining, working cow horse and cutting classes the 4 scores will then be totaled. In all other classes the 4 placings are accredited by the number of captured horses but maximal 7 plus one, and then summed up over all judges. Example: If 5 horses have been entered a class, 5 points for the 1st place, 4 points for the 2nd place, 3 points for the 3rd place, 2 points for the 4th place and 1 point for the 5th place are accredited and then summed up over all 4 judges.

The European Championship is placed as well through the 8th place and awarded with ribbons (with neckband for the European Champion).

The European Champion, European Reserve Champion and Bronze Medal winner will receive a gold, silver or bronze medal.

Ties will be broken by the tie-breaker judge determined at the beginning of the show.

Championship Titles

The title of European Champion will be awarded as follows:

- 1 or 2 starters → no titles will be awarded
- 3 & more starters → European Champion (Gold Medal), European Reserve Champion (Silver Medal) and Bronze Medal

All-Around Awards

All-Around Awards will be given for Youth, Non-Pro and Open classes. The horse and rider couple with the highest amount of European Championship points is called All Around Champion. The horse and rider couple with the second highest amount of European Championship points is called All Around Reserve Champion. Both Champions will be awarded an engraved sterling-silver Montana Silversmith buckle.

In the event of a tie for an All-Around Award (both Champion and Reserve), the following system will be used to resolve the tie.

1. The horse competing and placing in the most categories.
2. The horse earning the most European Championships.
3. The horse earning the most European Reserve Championships.
4. Flipping a coin.

Jackpot Classes

Here no European Championship titles are awarded. Placings are determined by the same method as for non-jackpot classes (rule see above).

Payout scheme refers to NRHA rules.

Sponsor Awards

Special awards given by our sponsors may be distributed to horses entered and shown in classes during the European Championship Appaloosa Show.
